ALUMNI CORNER

It is an extraordinary journey that I had at RIMS. During our tenure, we were exposed to in-depth knowledge on management subjects as well as the much-needed soft skills to meet the requirements of the corporate sector. I want to highlight the interaction we had with our professors which made the entire program interactive. Several projects, relevant case studies during our classes made us corporate ready. I would like to appreciate the efforts put in by the placement cell at RIMS for providing fair and ample opportunities during the placements season.
